

WHY SAINT MONICA UNIVERSITY?

Earn a quality American-designed university degree from a university with a difference. SMU offers the following advantages over the others:

Dual Degrees: We offer undergraduate students the possibility of earning both the HND & Bachelor's degrees!

Superior Quality: We offer professional or career-focused degrees that are taught mainly by PhD holders from the US.

Affordable: We are the least expensive private international university in the country; we offer scholarships; and you can pay your fees in four installments.

Rolling Admissions: We don't have any admissions deadlines. You can begin studying at SMU anytime you are ready, thanks to our "block plan," by which students take a course per month. Our classes begin on the 1st Monday of each month.

Convenient: We've face-to-face and online courses; full or part time studies; on and off-campus accommodation; bus service; campus cafeteria etc.

Flexible: We accept transfer students from other institutions as well as credits already earned from any accredited institution. You can also change career fields.

Market-Oriented: We offer professional or career-focused programs designed to enable students create jobs, enter the work force, or advance in their current careers

Affiliations: We offer students the possibility of earning a Cameroonian degree from the University of Bamenda and/or foreign degrees from St. John of the Cross University, Georgia Institute of Technology, University of Central Nicaragua etc.

Study Abroad: We enable students study abroad in the US, UK, Germany, Russia, Nicaragua, India, Guyana, Costa Rica etc.
